

# IMPORTANT

In an ongoing effort to provide a safe environment for our scouts and parents, Troop 428 asks that all parents complete the BSA Youth Protection Training online program. Please submit a copy of your YPT Certificate along with your scout's completed troop documents. You do not need to be a registered BSA Adult Member to complete the online training. Online training can be found at [www.my.scouting.org](http://www.my.scouting.org).

NOTE: If you have not completed YPT and/or turned in a copy of the YPT Certificate, you will not be able to volunteer as a driver or participate in certain scout activities. (This is a BSA requirement.)

If you completed YPT within the past two years, please submit a copy of your completion certificate. To obtain a copy of your certificate go to [www.my.scouting.org](http://www.my.scouting.org) and sign in. (Although this is a new website for YPT, you will use the same sign in information that you used for [www.myscouting.org](http://www.myscouting.org).) If you don't have your username or password, follow the prompts to retrieve the information. Once you've signed in, click "Home", then click "My Dashboard"; the screen will default to the "My Training" screen. Select the YOUTH PROTECTION TRAINING link and follow prompts to take or retake the course. Click on COMPLETIONS to print your completion certificate.

If your certification is more than two years old, you will need to retake the online course. It takes less than 30 minutes to take the course. Again, please be sure to print out the certificate before exiting the site.
